

The 11th Annual Nick Gonzales Charity Golf Tournament and Fundraising Dinner will be held Friday, May 4, 2018 at The Tribute Golf Club in The Colony with a 12:30 shot-gun tee off, 4 man scramble.

Proceeds from registrations, sponsorships, raffle and auction sales will fund the annual Nick Gonzales Research Grants on Glioblastomas, which will be awarded to Dr. Karen Fink at BaylorScott & White. As one of the top neuro-oncologists and researchers in the BTTC (Brain Tumor Trials Collaborative) with 24 other medical centers across the US, Dr. Fink has forged ahead with state-of-the-art clinical trials for hundreds of brain tumor/cancer patients right here in the Dallas Area. Patients travel to Dallas seeking her expertise.

A glioblastoma multiforme tumor, also referred to as a GBM, is one of the deadliest types of brain cancer. Nick Gonzales was only 29 years old when he lost his battle with a GBM, leaving a gaping hole in the hearts of his wife, two little boys, and many immediate and close family members and friends.

Over 210,000 people are diagnosed with a brain tumor in the U.S. each year – that averages over 575 people every day. These are startling facts. While there have been great advances and awareness in the area of breast, lung, prostate and colon-rectal cancers, there has been very little progress in the treatment and survival rates for brain cancer.

Brain tumors are now the leading cause of solid tumor cancer deaths among children 0-17 in developed countries, surpassing Leukemia, according to the International Brain Tumor Alliance.

The Mission of the Foundation is to increase awareness of the early signs of brain tumors and raise critical funds for specific research projects on improving the treatment and survival rates of those stricken with these deadly tumors.

You can make a difference by becoming a sponsor of the 11th Annual Nick Gonzales Charity Golf Tournament and Fundraising Dinner. Please review the attached list of sponsorship opportunities and let us know what you or your company can do.

Any level of sponsorship is appreciated and we'd love your personal involvement if your schedule permits.

We appreciate your time and interest and thank you in advance for your support.

Best wishes for a safe and healthy year.....
